FRIDAY—14TH 7:00 PM

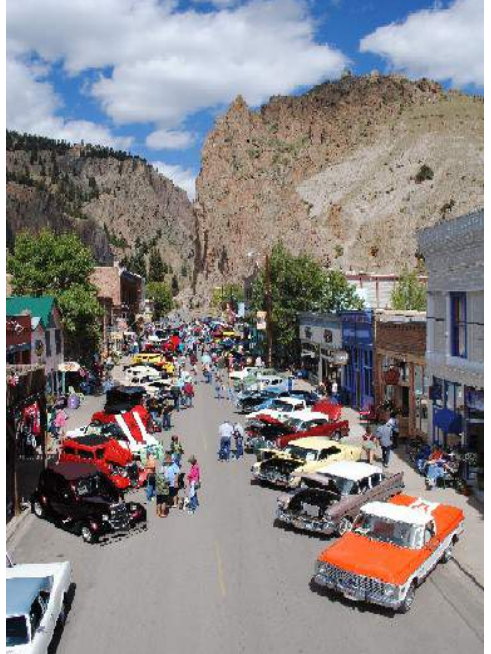

Guadalupe In The Guest Room

Guadalupe has lost a daughter, Steve has lost a wife, and neither of them can find enough common ground to talk about it. Coupled with the fact that neither of them can speak the other's language, they find a new way to connect: through an unlikely love of Telenovela-the wildly popular Latin American soap opera. How can such different people come together and take a step toward healing? Guadalupe offers a profound look into the complexities of language, grief, loneliness, love, laughter, and new beginnings.

SATURDAY—15TH 7:00 pm

Miss Holmes

An anonymous note, a fearful wife, and a pair of curious shoes? Sounds like a perfect case for Holmes and Watson. Ah, but there's a twist: Miss Sherlock Holmes and Dr. Dorothy Watson sleuth their way through the twists and turns of this classic mystery. The Chicago Tribune calls it "a cunning and highly enjoyable gender-bent take on Sir Arthur Conan Doyle's maddeningly brilliant detective."
